

The winter trout have arrived! We split 1550 pounds rainbow trout between Wyatt and Holland Lakes on Thursday, 30 November 2023. All the fish were in the 11-16" size class. All are rainbows this year, and they were in outstanding condition at the time of stocking. Creel limit is 3 fish per day per angler. Please email joseph.k.heisinger.civ@army.mil for additional information. Enjoy!
